ENDORSEMENT OF TRANSPORTATION ENERGY AND UTILITIES COMMITTEE MISSION STATEMENT

CITY OF BURLINGTON

In the year Two Thousand Eight.....

Resolved by the City Council of the City of Burlington, as follows:

That WHEREAS, the Traffic and Transportation Committee of the City Council adopted a mission statement on 3/25/1997; and

WHEREAS, the Traffic and Transportation Committee of the City Council amended this mission statement on 5/11/1998; and

WHEREAS, the Traffic and Transportation Committee of the City Council further amended that mission statement on 6/22/2005 to reflect new responsibilities and a new name:

The Transportation, Energy and Utilities Committee; and

WHEREAS, the Transportation, Energy and Utilities Committee at its meeting of 7/31/2006 revised their mission statement to read:

The Transportation, Energy and Utilities Committee serves the Burlington City Council in the following ways:

- The committee examines policies and plans for all modes of travel and interrelated development issues.
- The committee examines energy plans, rates and other issues;
- The committee examines utility matters regarding, but not limited to water, sewer and tele-communications;

Resolution Relating to ENDORSEMENT OF TRANSPORTATION ENERGY
AND UTILITIES COMMITTEE MISSION STATEMENT

- The committee through regular communication with City Departments and city and regional transportation, energy and utility groups examines in depth and reports back to the Burlington City Council on timely transportation, energy and utility issues for which the council seeks recommendations.
- The committee formulates questions and generates discussion relating to transportation, energy and utilities plans and issues and brings these issues and questions before the council.
- The committee in consultation with City administration and staff, initiates discussion on relevant Transportation, Energy and Utilities policies and projects.

To these ends the committee will develop the expertise to understand the complex issues related to all modes of transportation and interrelated development issues as well as energy, water, sewer and tele-communications related issues; and

WHEREAS, the Transportation, Energy and Utilities Committee at their June 16, 2008 meeting reviewed and reaffirmed their past mission statements and requested endorsement of the current Council,

NOW, THEREFORE, BE IT RESOLVED that the Burlington City Council endorses this revised mission statement.
